If you own shares through a broker, we encourage you to follow the instructions provided by your broker regarding how to vote. # GRAHAM CORPORATION

#### PROXY STATEMENT

We are providing this proxy statement to our stockholders in connection with the solicitation by our Board of Directors of proxies for use at the annual meeting of stockholders for our fiscal year ended March 31, 2017, which we refer to as fiscal year 2017, as well as for use at any adjournment of the annual meeting.

# **Date and Location of Annual Meeting**

The annual meeting will be held on Thursday, August 3, 2017, at 11:00 a.m., Eastern Time, at our principal executive offices located at 20 Florence Avenue, Batavia, New York 14020.

# **Record Date and Shares Outstanding**

Each holder of shares of our common stock having a par value of \$0.10, which we refer to as common stock, at the close of business on June 12, 2017, the record date for the annual meeting, is entitled to notice of and to vote at the annual meeting. As of the record date, there were 9,765,711 shares of our common stock issued and outstanding.

# Notice and Access of Proxy Materials

The Securities and Exchange Commission's e-proxy rules allow companies to post their proxy materials on the Internet and provide only a Notice of Internet Availability of Proxy Materials to stockholders as an alternative to mailing full sets of proxy materials except upon request. This year, we elected to use this notice and access model. Unless you previously indicated your preference to receive paper copies of our proxy statement and annual report to security holders, you should have received a Notice of Internet Availability of Proxy Materials, which we refer to as a Notice of Internet Availability. The Notice of Internet Availability includes the information on how to access our proxy materials on the Internet, how to vote and how to request a paper or email copy of such proxy materials at no extra charge this year or on an ongoing basis.

#### Mail Date

On or about June 22, 2017 we mailed the Notice of Internet Availability and made the proxy materials available to our stockholders.

# **Proxy Cards and Voting**

Each holder of our common stock on June 12, 2017 is entitled to one vote for each share of common stock held.

If we receive a properly executed and dated proxy in time to be voted at the annual meeting, the shares represented by the proxy will be voted in accordance with the instructions contained in the proxy. An executed proxy without instructions marked on it will be voted:

- FOR each of the two nominees identified in this proxy statement for election as Director;
- <u>FOR</u> approval, on an advisory basis, of the compensation of our named executive officers;
- · FOR ONE YEAR, for the frequency of stockholder advisory votes on the compensation of our named executive officers; and
- FOR the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2018.

1

An executed proxy without voting instructions marked on it may also be voted by the named proxies for such other business as may properly come before the annual meeting or at any adjournment or postponement of the annual meeting.

If you hold your shares in "street name" through a broker, bank or other nominee, please follow the voting instructions sent to you by such broker, bank or other nominee. Your shares will be voted as you indicate.

Stockholders may vote in person at the annual meeting. We will provide ballots to any stockholder who wishes to vote at the annual meeting.

Please note, if you hold your shares in street name, and you wish to vote in person at the annual meeting, you must bring to the annual meeting a legal proxy from your broker, bank or other nominee that gives you the right to vote your shares in person.

# Quorum

A quorum is required for our stockholders to conduct business at the annual meeting. Pursuant to our amended and restatedby-laws, the holders of record of a majority of the shares of our common stock present in person or by proxy and entitled to vote at the annual meeting will constitute a quorum.

#### Vote Required

The table below shows the vote required to approve each of the proposals described in this proxy statement, assuming the presence of a quorum, in person or by proxy, at the annual meeting.

Proposal Number	Proposal Description	Vote Required
One	Election of the two Director nominees identified in this proxy statement	Plurality of the shares present, in person or by proxy, and entitled to vote
		at the annual meeting
Two	Approval, on an advisory basis, of the compensation of our named executive	Majority of the shares present, in person or by proxy, and entitled to vote
	officers	at the annual meeting
Three	Advisory vote regarding the frequency of stockholder advisory votes on the	Plurality of the shares present, in person or by proxy, and entitled to vote
	compensation of our named executive officers	at the annual meeting
Four	Ratification of the selection of Deloitte & Touche LLP as our independent	Majority of the shares present, in person or by proxy, and entitled to vote
	registered public accounting firm for the fiscal year ending March 31, 2018	at the annual meeting

Our stockholders elect Directors by a plurality vote, which means that the Director nominees receiving the most votes will be elected. However, our Corporate Governance Guidelines provide that any nominee for Director who receives a greater number of votes "withheld" from his or her election than "for" such election must tender his or her resignation for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will recommend to the Board the action to be taken with respect to such resignation.

The advisory vote to approve the compensation of our named executive officers and the advisory vote to approve the frequency of stockholder advisory votes on the compensation of our named executive officers are not binding upon our Board of Directors or the Compensation Committee. However, our Board of Directors and our Compensation Committee will consider the outcomes of these votes when making future compensation decisions.

We are presenting the selection of Deloitte & Touche LLP to our stockholders for ratification. The Audit Committee of our Board of Directors will consider the outcome of this vote in its future discussions regarding the selection of our independent registered public accounting firm.

#### Effect of Not Casting Your Vote and Broker Non-Votes

If you hold your shares in street name, it is critical that you cast your vote if you want it to count with respect to Proposals One, Two and Three. If you hold your shares in street name and do not indicate how you want your shares voted on these proposals, your bank or broker is not permitted to, and will not, vote your shares on your behalf. This result is known as a broker non-vote. Your bank or broker has discretionary authority to vote anynon-instructed shares on Proposal Four.

We count shares subject to broker non-votes in determining the presence of a quorum and the number of shares entitled to vote on Proposal Two. Thus, brokenon-votes will have the same effect as a vote against this proposal. Broker non-votes will have no effect on Proposals One or Three.

If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting.

#### Abstentions

We count abstentions for the purpose of determining the presence of a quorum and the number of shares entitled to vote on a proposal. Abstentions have the same effect as a vote against Proposals Two, and Four, and will not affect the results of Proposal One or Three.

# **Revocability of Proxies**

Your attendance at the annual meeting will not automatically revoke your proxy. However, you can revoke your proxy at any time before it is voted at the annual meeting by:

- voting again via the Internet or by telephone (only your latest Internet or telephone vote submitted prior to the annual meeting will be counted);
- · delivering a written notice of revocation to our Corporate Secretary;
- · delivering a duly executed proxy bearing a later date to our Corporate Secretary; or
- · attending the annual meeting, filing a written notice of revocation with our Corporate Secretary, and voting in person.

Notices of revocation and revised proxies should be sent to the attention of our Corporate Secretary at the following address: Graham Corporation, 20 Florence Avenue, Batavia, New York 14020.

#### Solicitation of Proxies

This proxy solicitation is made by our Board of Directors on our behalf, and we will bear the cost of soliciting proxies. In addition to solicitation by mail, our Directors, officers and employees may solicit proxies personally or by telephone or other telecommunication. We will not compensate our Directors, officers or employees for making proxy solicitations on our behalf. We will provide persons holding shares in their name or in the names of nominees, which in either case are beneficially owned by others, soliciting materials for delivery to those beneficial owners and will reimburse the record owners for their expenses in doing so.

# PROPOSAL ONE: ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members. Our amended and restatedby-laws provide for a classified Board of Directors consisting of three classes of Directors, with each class serving a staggered three-year term. As a result, stockholders elect only a portion of our Board of Directors each year. The terms of two of our seven Directors, James J. Barber and Gerard T. Mazurkiewicz will expire at the 2017 annual meeting.

The Nominating and Corporate Governance Committee of our Board of Directors has nominated James J. Barber and Gerard T. Mazurkiewicz fore-election as Directors. If elected, each of Messrs. Barber and Mazurkiewicz will hold office for a three-year term expiring in 2020 or until his successor is duly elected and qualified. Our Board of Directors does not contemplate that either nominee will be unable to serve as a Director, but if that contingency should occur before the proxies are voted, the designated proxies reserve the right to vote for such substitute nominee(s) as they, in their discretion, determine. Our amended and restated by-laws do not permit re-election after a Director reaches the age of 75.

#### **Board Recommendation**

Our Board of Directors unanimously recommends a vote FOR the election of each of Messrs. Barber and Mazurkiewicz as a Director to serve for a three-year term expiring in 2020.

Our policy requires that each Director attend our annual meeting of stockholders or provide the Chairman of our Board with advance notice of the reason for not attending. All of our Directors attended our 2016 annual meeting of stockholders.

The non-management Directors meet without members of management present during regularly scheduled executive sessions and at such other times as they deem necessary or appropriate. The Chairman of our Board presides over these executive sessions.

#### Audit Committee

We have a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act. The Audit Committee works closely with our Board of Directors, our executive management team, and our independent registered public accounting firm to assist our Board in overseeing our accounting and financial reporting processes and financial statement audits. In furtherance of these responsibilities, the Audit Committee assists our Board of Directors in its oversight of:

- · the integrity of our financial statements and internal controls;
- · our compliance with legal and regulatory requirements;
- · the qualifications and independence of our independent registered public accounting firm;
- · the performance of our independent registered public accounting firm; and
- the planning for and performance of our internal audit function.

In addition, the Audit Committee's responsibilities include reviewing and overseeing any transactions between us and any related person as defined by the Securities and Exchange Commission's rules and discussing our guidelines and policies with respect to risk assessment and risk management. The Audit Committee is also responsible for preparing the Audit Committee's report that the Securities and Exchange Commission's rules require to be included in our annual proxy statement, and performing such other tasks that are consistent with the Audit Committee's charter. The Audit Committee's report appears under the heading "Report of the Audit Committee."

#### **Compensation Committee**

The Compensation Committee annually reviews and approves the goals and objectives relevant to the compensation of the Chief Executive Officer, evaluates the Chief Executive Officer's performance and either as a committee or with the other independent Directors of the Board, determines and approves the Chief Executive Officer's compensation levels. The Compensation Committee also annually reviews and approves salaries, incentive cash awards and other forms of compensation paid to our other executive officers, approves recipients of equity-based awards and establishes the number of shares and other terms applicable to such awards. The Compensation Committee also construes the provisions of and generally administers the Amended and Restated 2000 Graham Corporation Incentive Plan to Increase Shareholder Value, which we refer to as the Incentive Plan. The Compensation Committee operates pursuant to its charter and may delegate its authority or responsibility to one or more subcommittees.

The Compensation Committee also reviews and makes recommendations regarding the compensation paid to our Board of Directors, including fees paid for meeting attendance and equity-based awards. More information about the compensation of our Directors is set forth under the heading "Director Compensation." The Compensation Committee annually conducts a performance evaluation of its operation and function and recommends any proposed changes to our Board of Directors for approval.

In addition, the Compensation Committee is responsible for reviewing and discussing with management the Compensation Discussion and Analysis that the Securities and Exchange Commission's rules require to be included in our annual proxy statement, preparing the Compensation Committee's report that the Securities and Exchange Commission's rules require to be included in our annual proxy statement, and performing such other tasks that are consistent with its charter. The Compensation Committee's report appears under the heading "Compensation Committee Report."

The Compensation Committee recognizes the importance of using an independent consultant that provides services solely to the Committee and not to management or to our company. In fiscal year 2016, the Compensation Committee engaged Frederic W. Cook & Co., Inc., an independent compensation consultant. While the Compensation Committee did not engage a compensation consultant in fiscal year 2017, the Compensation Committee did note the desirability of increasing named executive officer compensation levels to market competitive levels based on the analysis and consultation with the independent compensation consultant in fiscal year 2016. For more information on the role of the Compensation Committee in determining executive compensation, including its use of an independent consultant, see Compensation Discussion and Analysis under the heading "Executive Compensation."

#### Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee evaluates, interviews and nominates candidates for election to our Board of Directors and is responsible for oversight of our corporate governance practices.

When identifying Director nominees, the Nominating and Corporate Governance Committee solicits suggestions from incumbent Directors, management and stockholders. In identifying and evaluating nominees, the Nominating and Corporate Governance Committee seeks candidates possessing the highest standards of personal and professional ethics and integrity; practical wisdom, independent thinking, maturity and the ability to exercise sound business judgment; skills, experience and demonstrated abilities that help meet the current needs of our Board of Directors; and a firm commitment to the interests of our stockholders. Although the Nominating and Corporate Governance Committee does not maintain a specific written diversity policy, it recognizes the value of diversity and seeks diverse candidates when possible and appropriate and considers diversity in its review of candidates. The Nominating and Corporate Governance Committee believes that diversity includes not only gender and ethnicity, but the various perspectives that come from having differing geographic and cultural backgrounds, viewpoints and life experiences.

In addition, the Nominating and Corporate Governance Committee takes into consideration such other factors as it deems appropriate. These factors may include knowledge of our industry and markets, experience with businesses and other organizations of comparable size, the interplay of the nominee's experience with the experience of other members of our Board of Directors, and the extent to which the candidate would be a desirable addition to our Board of Directors and any of its committees. The Nominating and Corporate Governance Committee may consider, among other factors, experience or expertise in our industry, global business, science and technology, competitive positioning, corporate governance, risk management, finance or economics, and public affairs.

Stockholders entitled to vote in the election of Directors at any annual meeting may recommend candidates for consideration by the Nominating and Corporate Governance Committee as potential nominees by submitting written recommendations to the attention of our Corporate Secretary at the following address: Graham Corporation, 20 Florence Avenue, Batavia, New York 14020. Stockholder recommendations must contain: (1) each candidate's name, age, business and residence addresses; (2) the candidate's principal occupation or employment and (3) a description of the candidate's qualifications to be a Director. In addition, any stockholder

submitting a recommendation must provide his or her own name and address as they appear on our books and records, as well as the class and number of our shares owned of record and the dates he or she acquired such shares. The Nominating and Corporate Governance Committee will evaluate Director candidates proposed by stockholders using the same criteria, and in the same manner, as described above for other potential nominees.

# **Corporate Governance Guidelines**

Our Board of Directors has adopted Corporate Governance Guidelines to promote the effective functioning of the Board in its governance of our business and corporate operations. The Corporate Governance Guidelines are available on our website at www.graham-mfg.com under the heading "Investor Relations" and the subheading "Corporate Governance."

# The Board of Director's Role in Risk Oversight

Our Board of Directors oversees our risk profile and management's processes for managing risk, primarily through the Board's committees. Our Audit Committee focuses on financial risks, including those that could arise from our accounting and financial reporting processes. Additionally, our Audit Committee monitors and directs the formal risk management projects implemented by management. Our Nominating and Corporate Governance Committee focuses on the management of risks associated with Board organization, membership and structure, corporate governance, and the recruitment and retention of talented Board members. Our Compensation Committee focuses on the management of risks that could arise from our compensation policies and programs and, in particular, our executive compensation programs and policies.

As part of its risk oversight responsibilities, our Board of Directors and its committees review the policies and processes that senior management uses to manage our risk exposure. In doing so, our Board and its committees review our overall risk function and senior management's establishment of appropriate systems and processes for managing areas of material risk to our company, including, but not limited to, operational, financial, legal, regulatory, strategic and information technology risks.

# **Communications from Stockholders and other Interested Parties**

Stockholders and other interested parties who wish to contact the Board of Directors or an individual Director, including the independent Chairman of our Board or independent Directors as a group, should send their communications to the attention of the Corporate Secretary, Graham Corporation, 20 Florence Avenue, Batavia, New York 14020. The Corporate Secretary will forward all such communications as directed.

# **EXECUTIVE COMPENSATION**

# **Compensation Discussion and Analysis**

#### Introduction

This Compensation Discussion and Analysis, which we refer to as the CD&A, provides information about the compensation programs for our executive officers named in the Fiscal Year 2017 Summary Compensation Table and referred to in this CD&A and in the subsequent tables as our named executive officers. These named executive officers are:

- James R. Lines, our President and Chief Executive Officer;
- Jeffrey F. Glajch, our Vice President Finance & Administration, Chief Financial Officer and Corporate Secretary;
- · Alan E. Smith, our Vice President and General Manager Batavia; and
- Jennifer R. Condame, our Controller and Chief Accounting Officer.

This CD&A includes the philosophy and objectives of the Compensation Committee of our Board of Directors, descriptions of each of the elements of our executive compensation programs and the basis for the compensation decisions we made during fiscal year 2017.

# **Executive Summary**

#### Fiscal Year 2017 Results

The Compensation Committee's philosophy focuses on aligning the interests of our named executive officers with those of our stockholders by rewarding performance that enhances the objective of increasing both current and long-term stockholder value. Our executive compensation programs are designed to provide a strong link between the amounts earned by our named executive officers and company and individual performance.

During fiscal year 2017, our named executive officers continued to implement our strategic plan to diversify, increase productivity, improve processes and grow our market share in our existing businesses. The dramatic reduction and volatility in global crude oil prices has caused a continued significant slowdown in investment by our oil refining and chemical industry customers. Our financial results for fiscal year 2017 reflect the impact of this continued slowdown:

- Net income was \$5.0 million in fiscal year 2017, compared to net income of \$6.1 million in fiscal year 2016.
- New orders of \$66.1 million represented a decrease of 21% from new orders in fiscal year 2016 of \$84.0 million;
- · Cash and cash equivalents and short-term investments at March 31, 2017 were \$73.5 compared with \$65.1 million as of March 31, 2016;
- · We continued to expand our engineering execution capacity and reduce engineering lead time; and
- · We ended the fiscal year with a strong balance sheet that was free of bank debt, providing us substantial financial flexibility.

The Compensation Committee believes that in fiscal year 2017 our named executive officers performed well in furtherance of our strategic plan given the continued challenging market conditions. In line with our pay-for-performance philosophy, in fiscal year 2017, our named executive officers realized the following compensation based on our fiscal year 2017 financial performance and their individual performance:

- As described more fully under the heading "Annual Cash Incentive Compensation" in this CD&A, for fiscal year 2017, the Compensation Committee set challenging targets for two key financial metrics: net income and orders. Our performance met the target level for the net income metric, however, the threshold level for the orders metric was not met. These levels of company performance, as well as our named executive officers' achievement against their individual goals, resulted in the payment of annual cash incentive compensation below target levels. We report the annual cash incentive compensation earned by each of the named executive officers during fiscal year 2017 in the "Non-Equity Incentive Plan Compensation" column of the Fiscal Year 2017 Summary Compensation Table.
- The performance-vested restricted stock granted to our named executive officers in fiscal year 2015 vested at 0% of target levels, based on company results below target levels for both the net revenue and EBITDA Margin<sup>1</sup> metrics. These shares previously were shown at the target level in the "All Other Stock Awards" column of the Fiscal Year 2015 Grants of Plan-Based Awards table in our proxy statement for the 2015 annual meeting.

Number of Chause of

		Number of Shares of
		Performance-Vested Restricted Stock
Named Executive Officer	Target Grant 2015	Realized in 2017

Jeffrey F. Glajch	1,531	0
Alan E. Smith	1,308	0
Jennifer R. Condame	684	0

#### Our "Pay for Performance" Philosophy

Our executive compensation programs contain key components and features that reinforce our "pay for performance" philosophy. For example:

- A significant portion of our named executive officer's compensation is "at-risk," and depends on either meeting performance-based criteria or continuing in service to the company. Both our short-term and long-term incentive compensation programs use goals that tie to our performance in key financial metrics. We pay 50% of our long-term incentive compensation in shares of performance-vested restricted stock. The shares of performance-vested restricted stock cliff vest on the third anniversary of the date of grant only upon the achievement of predetermined performance metrics. Our named executive officers receive the other 50% of long-term incentive compensation in restricted stock that time vests in equal installments of 33 1/3 % on each anniversary of the date of grant, subject to the executive officer's continued service at each such date.
- We require all of our named executive officers to hold substantial amounts of our stock. We believe that our robust stock ownership guidelines drive an ownership culture, and enhance the connection between our management and our stockholders.
- · We do not reimburse or "gross-up" our named executive officers for any of the taxes associated with any of the compensation and benefits we provide to them.
- We maintain "double-triggered" provisions in our agreements with our named executive officers under which payment is triggered only by certain terminations of
  employment subsequent to a change in control of our company.
- EBITDA Margin is a financial measure not prepared in accordance with generally accepted accounting principles in the United States ("GAAP"). For a reconciliation of EBITDA Margin to the most directly comparable GAAP measure, see Appendix A to this proxy statement.

- The Compensation Committee incorporates tally sheets as an analytical tool as part of its annual executive compensation review to help ensure that compensation is consistent with performance goals.
- · We provide limited perquisites and personal benefits beyond those provided to all other employees.
- · We have a policy prohibiting executive officers and directors from engaging in any hedging or monetization transactions involving our securities.
- Our insider trading policy requires executive officers and directors to obtain the prior approval of our legal counsel prior to pledging our stock. As of the record date, none of our executive officers or directors had outstanding pledges of our stock.

### Principles and Objectives

In establishing executive compensation, the guiding principles and objectives of the Compensation Committee are as follows:

- to provide market competitive compensation that includes an appropriate balance of fixed and incentive elements which allows us to both attract and retain executive
  personnel best suited by training, ability, and other relevant criteria for our management requirements;
- · to align our incentive compensation programs with superior business performance in order to maximize shareholder value; and
- to avoid compensation incentives that create undue financial or business risk for our company.

The Compensation Committee reviews the market median and also considers measures of company and industry performance when determining named executive officer compensation, including revenue, net income, earnings per share, EBITDA margin, total market value, average working capital, performance relative to the market and total stockholder return. As described further below under the heading "Use of Peer Group Compensation Data and Tally Sheets," from time to time, the Compensation Committee reviews data on the executive compensation programs of other comparably-sized companies both within our industry and in our geographic region as part of the process of establishing and maintaining our executive compensation programs.

We designed our executive compensation programs to reward our named executive officers for company and individual performance that maximizes stockholder value. We describe the company and individual performance measures that the Compensation Committee takes into account in determining cash and equity-based incentive awards for our named executive officers below under the headings "Annual Cash Incentive Compensation" and "Long-Term Equity Incentive Compensation," respectively.

# How We Make Compensation Decisions

#### Role of the Compensation Committee

The Compensation Committee designs and implements compensation programs that further the intent and purpose of our fundamental compensation philosophy, principles and objectives. The Compensation Committee is responsible for setting appropriate compensation levels for our named executive officers, and determines base salary, as well as cash and equity-based incentive awards for each of our named executive officers. We provide additional information about the Compensation Committee under the heading "Corporate Governance."

# Role of Named Executive Officers in Compensation Decisions

Within the framework of the executive compensation programs approved by the Compensation Committee and based on management's review of market competitive positions, our Chief Executive Officer annually reviews the performance of our other named executive officers and presents such performance information to the Compensation Committee. In addition, our Chief Executive Officer makes recommendations to the Compensation Committee with respect to the salary, cash incentive and equity-based incentive compensation paid to our other named executive officers. The Compensation Committee considers such performance

information in determining each element of compensation for the other named executive officers. The Compensation Committee uses its discretion to determine whether to accept, reject or modify any adjustments to awards that may be recommended by our Chief Executive Officer. The Compensation Committee annually reviews the performance of our Chief Executive Officer. Our Chief Executive Officer does not play any role with respect to any matter affecting his own compensation.

On an annual basis, our Chief Executive Officer also approves and recommends to the Compensation Committee the individual objectives for our other named executive officers under the Stock Bonus Plan and Cash Bonus Program. The Chairperson of our Compensation Committee, in consultation with the Chairman of our Board of Directors, approves individual objectives for our Chief Executive Officer.

#### Use of Outside Consultants by the Compensation Committee

The Compensation Committee believes that it benefits from external advice and assistance to help meet its objectives and fulfill its responsibilities. The Compensation Committee periodically engages outside consultants to educate and inform Committee members with regard to compensation matters, including the advantages and disadvantages of existing and proposed compensation programs, and keeps the Compensation Committee abreast of current and emerging compensation trends both within our industry and for companies of similar size and stature. These consultants also may advise the Compensation Committee with respect to various compensation alternatives, provide the Committee with relevant market compensation data and assist the Committee in analyzing such data when making compensation decisions.

The Compensation Committee typically engages a compensation consultant every few years. During fiscal year 2016, the Compensation Committee engaged Frederic W. Cook & Co., Inc. to assist the Compensation Committee in updating our peer group and analyzing the competitiveness of the target compensation levels for our named executive officers.

#### Use of Peer Group Compensation Data and Tally Sheets

Peer Group Compensation Data. When making compensation decisions, the Compensation Committee may consider executive compensation programs and individual elements of compensation paid to other named executive officers at a group of comparably-sized companies both within our industry and in our geographic region or which we otherwise consider to be our peers. When selecting our peer group shown below, the Compensation Committee considered the companies' revenue, market capitalization, number of employees and industry classification.

Allied Motion Technologies Inc. American Science & Engineering<sup>(1)</sup> Ampco-Pittsburgh Aspen Aerogels

Badger Meter

CECO Environmental CUI Global Dynamic Materials Gorman Rupp Hurco Companies Key Technology Maxwell Technologies Natural Gas Services OmegaFlex Sun Hydraulics The Eastern Co.

This company was acquired in fiscal year 2017 and will not be included in future years.

The Compensation Committee may use peer group compensation data to provide an informational perspective on our compensation practices, levels of base salary and the design of annual cash and long-term equity incentive compensation programs and the overall competitiveness of our compensation program. During fiscal year 2016, the Compensation Committee reviewed a competitive analysis provided by its compensation consultant, Frederic W. Cook & Co., Inc. to inform pay decisions with respect to future fiscal years. This competitive analysis compared our named executive officers' total target compensation, including base salary, target annual cash incentive and target long-term incentives to the same compensation elements paid to named executive officers in comparable positions with our peer group companies listed above. Our compensation consultant's analysis demonstrated that, on average, our named executive officers' fiscal year 2017 total target direct compensation was positioned below the 25th percentile for named executive officers in our peer group.

Tally Sheets. The Compensation Committee analyzes tally sheets prepared for each named executive officer as part of its responsibilities for our executive compensation programs. Tally sheets present the dollar amount of

each component of compensation for each named executive officer. The purpose of tally sheets is to bring together, in summary form, all of the elements of total direct compensation for our named executive officers, so that the Compensation Committee may analyze both the individual elements of compensation (including the weighting of each element as compared to each other element) and the aggregate amount of total direct compensation. During fiscal year 2017, the Compensation Committee regularly used tally sheets to assist in its review of the compensation of our named executive officers. No compensation changes were made with respect to fiscal year 2017 compensation based on those reviews.

# **Executive Compensation Components**

As discussed in greater detail below, our compensation philosophy focuses on aligning the total direct compensation of our named executive officers with the interests of our stockholders by rewarding performance that enhances the objective of increasing both current and long-term stockholder value. We use the term "total direct compensation" to refer to the sum of base salary, annual incentive compensation and long-term incentive compensation.

The components of total direct compensation granted during fiscal year 2017 were:

Compensation Element	Form of Compensation	Purpose	Performance Criteria
Base Salary	Cash	Provide compensation that is not "at-risk" to compensate our named executive officers for services rendered during the fiscal year	Not performance based
Annual Incentive Compensation	Cash	Motivate our named executive officers to attain vital short-term company and individual objectives	Net income, orders and individual officer goals linked to achievement of company strategic objectives
Long-term Incentive Compensation	Performance-Vested Restricted Stock	Incent our named executive officers to focus on company growth, align their compensation with our business strategy and create value for our stockholders	Equal weighting of our EBITDA margin² achieved for fiscal year 2019 as compared to the Baird Industrial Company Composite for calendar year 2018 and our achievement over a three year period of Total Shareholder Return compared to the Russell 2000 Capital Goods and Energy Composite Ranking (using a 20 day price average at the start and end of the three year period commencing April 1, 2016 and ending March 31, 2019)
	Time-Vested Restricted Stock	Encourage retention of our named executive officers over a three-year period	Not performance based

The Compensation Committee seeks to align our annual and long-term compensation elements to our strategic plan. We strive to strike a balance between establishing incentives that motivate our named executive officers to achieve meaningful results, while ensuring that we sufficiently recognize our named executive officers

EBITDA margin is a non-GAAP financial measure. For a reconciliation of EBITDA margin to the most directly comparable GAAP measure, see Appendix A to this proxy statement.

for achieving results that are within their control. The Compensation Committee believes that the diversity of the selected forms of compensation and the applicable performance metrics help to manage the pay for performance challenges presented by the cyclicality of our business while creating the proper focus among our named executive officers to facilitate our growth.

We establish each element comprising target total direct compensation for the named executive officers annually. We do not have a specific policy for the allocation of compensation between short-term and long-term compensation or cash and equity compensation, as the allocation of these items is primarily driven by market compensation information and company performance and goals.

We generally do not consider gains realized from prior compensation, such as stock option exercises and restricted stock vesting, in setting other elements of compensation. We believe that reducing or limiting restricted stock awards because of prior gains realized by a named executive officer would unfairly penalize the officer for outstanding past performance and reduce the motivation for continued outstanding achievement. Similarly, our severance and change-in-control arrangements, which we discuss in detail under the heading "Potential Payments upon Termination or Change in Control," do not affect our decisions regarding other elements of compensation. Those arrangements serve specific purposes that are unrelated to the determination of a named executive officer's compensation for a specific year.

In support of our "pay for performance" philosophy, our executive compensation is heavily weighted toward incentive (variable) compensation, and the proportion of variable, or "at risk," compensation increases as the level of responsibility increases. As shown below, in fiscal year 2017, we provide 61% of our Chief Executive Officer's target compensation through annual and long-term incentive compensation, and, on average, we provide 52% of our other named executive officers' target compensation through annual and long-term incentive compensation.

# Stockholder Advisory Vote on Executive Compensation

At our 2016 annual meeting of stockholders, our stockholders approved by 80.3% of the votes represented in person or by proxy, on an advisory basis, the compensation of our named executive officers as disclosed in our 2016 proxy statement, referred to as a "say-on-pay" vote. Without taking into account brokernon-votes, we received approval of 97.9%. At our 2011 annual meeting of stockholders, our stockholders expressed a preference that the "say-on-pay" vote take place on the annual basis recommended by our Board of Directors. This preference was subsequently adopted by our Board of Directors, and so we are providing our stockholders with a "say-on-pay" vote this year.

The Compensation Committee evaluated the positive results of the 2016 "say-on-pay" vote as well as the other factors discussed in this CD&A. While each of these factors informed the Compensation Committee's decisions regarding our executive compensation programs, the Compensation Committee did not implement changes to our executive compensation programs as a result of the 2016 "say-on-pay" vote.

# Annual Base Salaries

The Compensation Committee reviews base salaries for each of our named executive officers at least annually. In general, the Compensation Committee sets base salaries based on the following factors:

- · company performance;
- · individual performance;
- · job responsibilities;
- · internal pay equity; and
- · base salary levels of similar positions in our peer group.

Consistent with past practice, the Compensation Committee approved 3% increases to the base salaries of each of our named executive officers other than Mr. Lines, effective in the first pay period following March 31, 2016. The Compensation Committee approved an increase in Mr. Lines' base salary to \$435,000, effective April 1, 2016. These increases reflect merit-based increases implemented on a company-wide basis.

	Fiscal year 2016	Fiscal year 2017
Named Executive Officer	Base Salary	Base Salary
James R. Lines	\$ 371,527	\$ 435,000
Jeffrey F. Glajch	\$ 262,254	\$ 270,122
Alan E. Smith	\$ 224,010	\$ 241,020
Jennifer R. Condame	\$ 163,909	\$ 168,826

#### Annual Cash Incentive Compensation

Our Annual Executive Cash Bonus Program, which we refer to as the Cash Bonus Program, is designed to compensate our named executive officers for above-average performance through an annual cash incentive award related both to company and individual performance. We instituted the Cash Bonus Program to effectively align short-term individual performance with company performance.

The Compensation Committee designed the Cash Bonus Program to provide a clear link between the named executive officers' goals and our performance and business objectives. In fiscal year 2017, the Compensation Committee used a combination of net income, new orders and personal goals as the performance metrics to evaluate our named executive officers' performance under the Cash Bonus Program. The net income performance metric is based on 2017 fiscal year-end results. Orders represent communications received from customers requesting us to supply products and services. The Compensation Committee selected net income and orders as the quantitative measures of short-term performance because it believes that these metrics capture our annual profitability and growth. The Compensation Committee believes the orders metric motivates our named executive officers to increase orders entered into backlog for execution in the near-term and focus on the quality or profitability of such orders.

For fiscal year 2017, the Compensation Committee established personal goals for our named executive officers, which included the following:

- Mr. Lines deploy capital to expand revenue, strengthen sustained earnings, reduce earnings volatility and improve return on invested capital.
- Mr. Glajch strengthen value of completed mergers and acquisitions; deploy capital to expand revenue, strengthen sustained earnings, reduce earnings volatility and improve return on invested capital.
- Mr. Smith increase revenue by diversifying opportunities and leveraging current operations; reduce cost structure in light of decrease in market pricing to help ensure long term cost competitiveness.
- Ms. Condame improve productivity and process within the finance department; implement a new payroll and human resources system.

The Compensation Committee assigned the weightings applicable to the three metrics to align our named executive officers' goals with our current business objectives as follows:

Metric	Weighting
Net income	40%
Orders	40%
Personal goals	20%

The Compensation Committee typically establishes the goals for the Cash Bonus Program during our annual budgeting process following the commencement of the fiscal year. The Compensation Committee typically approves such goals during our first quarter, subject to the ratification of our Board of Directors. The Chairperson of our Compensation Committee, in consultation with the Chairman of our Board, approves

personal goals for our Chief Executive Officer. Our Chief Executive Officer develops the personal goals for our other named executive officers in alignment with our corporate strategy and recommends these goals to our Compensation Committee Chairperson for approval.

For fiscal year 2017, the Compensation Committee set target bonus levels at 100% attainment of both company and individual objectives as follows: Mr. Lines - 70% of base salary; Mr. Glajch - 50% of base salary; Mr. Smith - 50% of base salary; and Ms. Condame - 35% of base salary. The Compensation Committee uses a stretch maximum payout level to better incentivize and reward above target performance. Each named executive officer may receive anywhere from 0% to 200% of his or her target bonus level depending on the attainment of objectives, as follows:

	Net Income	Orders
	Payout as Percentage of	Payout as Percentage of
Target Level	Target Bonus	Target Bonus
Below Threshold	0%	0%
Threshold	25%	50%
Target	100%	100%
Maximum	200%	200%

We may use linear interpolation to determine the percentage of the target bonus payable based on performance in between threshold and target or target and maximum. The Compensation Committee may consider extraordinary events that either positively or negatively affect financial performance, and may in its discretion, include or exclude the impact of these events in approving awards under the Cash Bonus Program. The Compensation Committee did not exercise this discretion during fiscal year 2017.

For fiscal year 2017, threshold, target, maximum and actual quantitative performance metrics used under the Cash Bonus Program were as follows (millions of dollars):

Performance Measure	Threshold	Target	Maximum	Actual
Net Income	\$3.5	\$5.0	\$9.0	\$5.0
Orders	\$115.0	\$130.0	\$150.0	\$66.1

At its May 31, 2017 meeting, the Compensation Committee reviewed each named executive officer's achievement of company and individual objectives during fiscal year 2017 and approved the award of cash incentive compensation under the Cash Bonus Program. Based on our performance during fiscal year 2017, the Compensation Committee determined that our named executive officers met the target level under the net income component and did not meet the threshold level under the orders component of the Cash Bonus Program. The Compensation Committee determined that each of our named executive officers achieved the following percentages of their respective target personal goals: Mr. Lines - 0%; Mr. Glajch - 50%; Mr. Smith - 100% and Ms. Condame - 130%. Based on these results, the cash incentive compensation earned under the Cash Bonus Program for our named executive officers for fiscal year 2017 was as follows:

Named Executive Officer	Bonus Award	Percent of Target Bonus	Maximum Available Bonus
James R. Lines	\$ 121,800	40%	20%
Jeffrey F. Glajch	\$ 67,531	50%	25%
Alan E. Smith	\$ 72,306	60%	30%
Jennifer R. Condame	\$ 38,999	66%	33%

The Compensation Committee sets what it believes are challenging goals for maximum bonus awards and expects that maximum bonus awards will be made only in extraordinary circumstances.

The amount of these cash awards earned by each named executive officer in fiscal year 2017 is shown in the "Non-Equity Incentive Plan Compensation" column of the Fiscal Year 2017 Summary Compensation Table.

Under the Cash Bonus Program, special awards may be made to a named executive officer who has made an extraordinary contribution to us during the fiscal year. Such awards are generally recommended in writing by our Chief Executive Officer to the Chairperson of the Compensation Committee and approved by the Compensation Committee before grant. The Compensation Committee did not approve any such awards in fiscal year 2017.

# Long-Term Equity Incentive Compensation

The Compensation Committee designed our Annual Stock-Based Long-Term Incentive Award Plan for Senior Executives, which we refer to as the Stock Bonus Plan, to motivate our named executive officers to increase stockholder value by providing them with long-term stock-based awards for above-average company performance. Our long-term incentive opportunities are intended to be competitive with the long-term incentive opportunities offered by the companies constituting our peer group. We issue shares of restricted stock pursuant to our Amended and Restated 2000 Graham Corporation Incentive Plan to Increase Shareholder Value, which we refer to as the Incentive Plan, a comprehensive executive compensation plan that provides for the grant of stock options, restricted stock, and other stock-related awards, as well as other awards that may be settled in cash or other property. All of our named executive officers are eligible to participate in the Incentive Plan.

The Compensation Committee designed the Stock Bonus Plan to create a tight link between the named executive officers' goals and the company's performance and business objectives. In fiscal year 2017, the Compensation Committee granted one half of the restricted stock awards in time-vested restricted stock, and the other half in performance-vested restricted stock. The Compensation Committee chose these forms of awards in consideration of the company's current approach to risk and the traditional cyclicality of the company's business.

Time-Vested Restricted Stock. We grant time-vested restricted stock because we believe that time-vested restricted stock helps us retain our named executive officers by offering our named executive officers the opportunity to receive shares of our common stock if they continue to be employed by us on the date the time-vested restricted stock vests. The Compensation Committee determines the number of shares of time-vested restricted stock to award to our named executive officers under the Stock Bonus Plan based on a percentage of each named executive officer's annual base salary. Unless the Compensation Committee determines otherwise, shares granted vest in installments of one-third on each anniversary of grant.

Performance-Vested Restricted Stock. We grant performance-vested restricted stock because we believe that performance-vested restricted stock helps us reward our named executive officers by conditioning the grant of restricted stock upon the satisfaction of predetermined company objectives. Unless the Compensation Committee determines otherwise, the shares of performance-vested restricted stock cliff vest on the third anniversary of the date of grant, subject to satisfaction of the performance metrics for the applicable three-year period. The Compensation Committee typically sets the metrics applicable to the performance-vested restricted stock just prior to the start of the fiscal year, and finalizes and approves such metrics and the other terms of the restricted stock grants during our first quarter.

For fiscal year 2017 grants, the performance metrics applicable to the performance-vested restricted stock consist of two relative metrics: our EBITDA margin for fiscal year 2019 as compared to the Baird Industrial Company Composite for calendar year 2018, and our achievement over a three year period of Total Shareholder Return compared to the Russell 2000 Capital Goods and Energy Composite Ranking (using a 20 day price average at the start and end of the three year period commencing April 1, 2016 and ending March 31, 2019). Once the Compensation Committee determines the achievement of the performance criteria for fiscal year 2019, it will adjust the actual number of shares to which each named executive officer is entitled accordingly. Any unearned shares are forfeited back to the company.

The Compensation Committee seeks to establish performance goals that are challenging but attainable based on our business and financial plan for the year. When establishing performance goals, the Compensation Committee reviews and discusses our business and financial plans for that year and the opportunity to generate stockholder value. The Compensation Committee establishes a range of performance goals for the year as well as individual payment thresholds, targets and maximums for each goal.

Forfeitures. If the named executive officers terminate their employment for reasons other than death or disability prior to the vesting of restricted shares, they will forfeit those shares. Dividends paid on unvested shares of restricted stock granted prior to fiscal year 2017 are subject to forfeiture if the underlying shares are forfeited.

Additional information regarding the restricted stock awards granted to each named executive officer in fiscal year 2017 is set forth in the Fiscal Year 2017 Summary Compensation Table, the Fiscal Year 2017 Grants of Plan-Based Awards Table and in the narrative that follows the tables.

#### Perquisites and Other Personal Benefits

We provide limited perquisites and benefits to attract, retain and reward named executive officers by providing an overall benefit package similar to those received by similarly-situated executive officers at comparably-sized companies in our industry and geographic region.

During fiscal year 2017, we paid premiums for life insurance policies for the benefit of each of our named executive officers. In addition, all of our named executive officers participate in our short-term disability program that is available to our managers and executive officers. We also make available to our named executive officers health insurance and long-term disability programs that are generally available to our salaried employees.

Our named executive officers also receive up to \$2,500 for the purpose of purchasing term life insurance with a named beneficiary of each officer's choosing as well as an additional amount necessary for our named executive officers to purchase a personal umbrella insurance policy. Our Chief Executive Officer is entitled to up to \$5,000 for the purpose of purchasing term life insurance.

#### Retirement Benefits

We provide retirement benefits to our named executive officers to attract, retain and reward named executive officers by providing an overall benefit package similar to those received by similarly-situated executive officers at comparably-sized companies in our industry and geographic region.

Mr. Lines, Mr. Smith and Ms. Condame are all eligible to participate in our Retirement Income Plan, which is a defined benefit pension plan for the benefit of our domestic employees hired prior to January 1, 2003. Benefits are based on the employee's years of service and average annual base salary for the five highest consecutive calendar years of compensation in the ten-year period preceding retirement, reduced to take into account a participant's Social Security benefits paid for by the company.

All of our named executive officers participate in our Incentive Savings Plan, which is a defined contribution plan that provides for both employer and employee contributions. The Incentive Savings Plan uses a "safe harbor" design that provides for a matching contribution of 100% of a participant's deferrals up to 3% of compensation plus 50% of deferrals in excess of 3% but not in excess of 5% of compensation (for a maximum 4% matching contribution). Additionally, eligible employees hired after January 1, 2003, which included Mr. Glajch, with at least one hour of service during the relevant plan year who are employed by us at the end of such year receive a contribution in an amount equal to 3.25% of eligible compensation received during such year, which contribution is paid on the first \$265,000 of compensation, as adjusted for cost-of-living increases, in accordance with Section 401(a)(17) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. The amounts allocated to participants under the Incentive Savings Plan fully vest after four years of employment.

We also make available to our named executive officers who participate in our Retirement Income Plan our Supplemental Executive Retirement Plan, which we refer to as the Supplemental Plan. The Supplemental Plan is intended to provide eligible participants and their surviving spouses and beneficiaries with the amount of employer-provided retirement benefits that the Retirement Income Plan would provide, but for the limitation on compensation that may be recognized under tax-qualified plans imposed by Section 401(a)(17) of the Code and the limitations on benefits imposed by Section 415 of the Code.

We have provided more information about our defined benefit retirement plans and the benefits payable to our named executive officers under such plans under the heading "Pension Benefits at March 31, 2017."

#### Employment Agreements and Potential Payments upon Termination or Change in Control

We have employment agreements with each of our named executive officers. The decisions to enter into employment agreements and the terms of those agreements were based on our need to motivate and retain talent for our long-term growth. The material terms of the employment agreements with our named executive officers are described under the heading "Employment Agreements" in the Narrative to the Fiscal Year 2017 Summary Compensation Table and Fiscal Year 2017 Grants of Plan-Based Awards Table.

We have agreed to provide payments to each of our named executive officers in the event of a termination of employment as a result of normal and early retirement, involuntary termination, death and disability. Mr. Lines and Mr. Glajch are also eligible to receive additional payments in the event of termination following a change in control. We believe these arrangements promote stability and continuity of leadership to the benefit of our named executive officers and the company. See "Potential Payments upon Termination or Change in Control" for further information regarding these arrangements.

#### Stock Ownership Guidelines

In order to more closely align the interests of our named executive officers with the interests of our stockholders, the Compensation Committee has established minimum stock ownership guidelines that require our named executive officers to work towards acquiring and maintaining specific levels of equity ownership interests in our common stock within specified time frames. A summary of our current stock ownership guidelines for our named executive officers is as follows:

 Position
 Stock Ownership Guideline

 Chief Executive Officer
 Common stock with a value equal to at least 3.00 times his annual base salary

 Other named executive officers
 Common stock with a value equal to at least 1.00 times his or her annual base salary

Our stock ownership guidelines also require our named executive officers to retain 50% of the net shares realized (after tax) when a restricted stock award vests or a stock option is exercised until they are in compliance with the guidelines, unless waived by the Chairperson of the Compensation Committee.

The Compensation Committee monitors the progress made by our named executive officers in achieving their stock ownership guidelines and, if circumstances warrant, may modify the guidelines and/or time frames for one or more of our named executive officers. Under the guidelines, our named executive officers are directed to be in compliance with their respective ownership objectives within five years of becoming a named executive officer. If a named executive officer does not meet his or her ownership guidelines, the Compensation Committee may take that fact into consideration when evaluating such executive's overall performance. As of the end of fiscal year 2017, all of our named executive officers were in compliance with our stock ownership guidelines, with the exception of Mr. Lines, whose stock ownership met approximately 99.8% of his stock ownership guideline.

# Certain Tax and Accounting Implications

We periodically review accounting and tax laws, rules and regulations that may apply to our compensation programs. However, tax and accounting considerations have not significantly impacted the compensation programs that we offer to our named executive officers.

The Impact of Deductibility of Compensation. As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Compensation Committee reserves the ability to approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its named executive officers.

Accounting for Stock-Based Compensation. We account for stock-based employee compensation at fair value of the awards on the grant date and recognize the related cost in our statements of operations and retained

earnings in accordance with Financial Accounting Standards Board Accounting Standards Codification 718, Compensation-Stock Compensation, which we refer to as FASB ASC Topic 718, formerly SFAS No. 123(R), "Share-Based Payment," which we adopted effective April 1, 2006 utilizing the modified prospective method. These stock-based payments include awards made under our Incentive Plan.

### **Compensation Committee Report**

The Compensation Committee, which consists entirely of independent Directors, has reviewed and discussed with management the Compensation Discussion and Analysis included in this proxy statement in accordance with Item 402(b) of Regulation S-K, as promulgated by the Securities and Exchange Commission. Based on such review and discussion, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and our annual report on Form 10-K for the fiscal year ended March 31, 2017.

Compensation Committee: Lisa M. Schnorr, Chairperson Alan Fortier James J. Malvaso Jonathan W. Painter

# **Risk Considerations in our Compensation Programs**

Each year, we undertake a company-wide analysis of our compensation programs to assess whether they create risks that are reasonably likely to have a material adverse effect on our business. In fiscal year 2017, the Compensation Committee conducted its own risk assessment for our compensation programs and plans. As part of that assessment, the Compensation Committee reviewed the intent, purposes and practices of our compensation programs and plans. The Compensation Committee conducted this review in connection with a review of our business and growth strategies. Based on these reviews, we have concluded that our compensation programs are appropriately tailored to encourage employees to grow our business, but not incentivize them to do so in a way that is reasonably likely to have a material adverse effect on our company.

For example, our Cash Bonus Program and our Stock Bonus Plan, which are our two primary executive compensation programs, balance each other by providing compensation that rewards short-term (Cash Bonus Program) and long-term (Stock Bonus Plan) performance. The Cash Bonus Program balances risk by considering several performance metrics and capping the maximum payout a named executive officer can receive at 200% of target bonus level (target bonus level is between 70% and 35% of base salary for each of our named executive officers). In addition, our Stock Bonus Plan provides balanced incentives through equity-based compensation awards, which include time-vested restricted stock and performance-vested restricted stock. The Compensation Committee believes that this mix of incentives, together with our executive stock ownership guidelines encourages our named executive officers to achieve both short-term operating and long-term strategic objectives, including the long-term performance of our stock.

#### Awards Granted in Fiscal Year 2017

The Compensation Committee determines the number of shares of restricted stock to award to our named executive officers based on a percentage of each named executive officer's annual base salary. The Compensation Committee determined the number of shares of performance-vested restricted stock to award to our named executive officers by using each such officer's Long-Term Incentive Percentage, which we refer to as the L-T Percentage. For fiscal year 2017, the L-T Percentage in effect for each of our named executive officers was as follows: Mr. Lines - 90%; Mr. Glajch - 65%; Mr. Smith - 65%; and Ms. Condame - 45%.

The number of shares of restricted stock was determined by multiplying 50% of each named executive officer's base salary then in effect by such officer'sL-T Percentage, and then dividing the product by the closing price of our common stock on the date of grant.

The closing price of our common stock on May 24, 2016 was \$18.50 without adjusting for the payment of dividends. The number of shares of time-vested restricted stock and the number of shares of performance-vested restricted stock granted to our named executive officers in fiscal year 2017 are as follows:

	Re	stricted Stock Granted
Named Executive Officer	Performance-Vested (1)(2)	Time-Vested (1)
James R. Lines	10,581	10,581
Jeffrey F. Glajch	4,745	4,745
Alan E. Smith	4,234	4,234
Jennifer R. Condame	2,053	2,053

Number of Shares of

- (1) In the event a named executive officer's employment terminates prior to the conclusion of the applicable vesting period for reasons other than death or disability, such officer's right to receive the restricted stock will be forfeited.
- The number of shares that will vest at the end of fiscal year 2019 is based upon our achievement of two performance criteria. Those performance criteria consist of two relative metrics: our EBITDA margin for fiscal year 2019 as compared to the Baird Industrial Company Composite for calendar year 2018, and our achievement over a three year period of Total Shareholder Return compared to the Russell 2000 Capital Goods and Energy Composite Ranking (using a 20 day price average at the start and end of the three year period commencing April 1, 2016 and ending March 31, 2019). Once achievement of the performance criteria is determined for fiscal year 2019, the actual number of shares to which each named executive officer is entitled will be adjusted accordingly, with any unearned shares being forfeited back to the company. The number of shares assumes achievement of the performance criteria for a target award.

#### Vesting

Beginning with grants made during fiscal year 2015, shares of time-vested restricted stock vest in installments often-third on each anniversary of grant over three years. Prior to fiscal year 2015, 50% of the shares of time-vested restricted stock vest on the second anniversary of the date of grant and the remaining 50% of the shares vest on the fourth anniversary of the date of grant. The shares of performance-vested restricted stock cliff vest on the last day of the third fiscal year following the fiscal year of grant, subject to satisfaction of the performance metrics for the applicable three-year period.

We pay dividends on unvested restricted stock. Dividends paid on unvested shares of restricted stock granted prior to fiscal year 2017 are subject to recovery if the applicable vesting conditions are not met.

#### **Option Grants**

Prior to fiscal year 2014, we granted stock options under the Incentive Plan. Our named executive officers only realize the compensation if our stock price increases over the term of the award, which aligned this element of compensation with our performance. Outstanding stock options vest over a three-year period, with 33 1/3% of the shares subject to such option vesting on each of the first, second and third anniversaries of the date of grant.

#### **Employment Agreements**

During fiscal year 2017, we were a party to employment agreements with Mr. Lines, Mr. Glajch, Mr. Smith and Ms. Condame. The following is a summary of the key terms of each of these employment agreements.

James R. Lines. On August 1, 2006, we entered into an employment agreement with Mr. Lines, as subsequently amended on December 31, 2008, which provides that Mr. Lines will receive an annual minimum base salary as well as other customary benefits. Mr. Lines is also eligible under the agreement to receive discretionary bonuses. The agreement automatically renews such that it always has a one-year term remaining, unless we or Mr. Lines elect not to extend the term further, in which case the term will end on the first anniversary of the date on which notice of such election not to extend is given. If not terminated sooner, the agreement will end on the last day of the month in which Mr. Lines turns 65.

Pursuant to our employment agreement with Mr. Lines, if he resigns for reasons other than a material breach of the agreement by us, departs from our employment without the approval of our Board of Directors, or is discharged for cause, he will be subject to an 18-month covenant not to compete with us, not to interfere in certain of our business relationships, and not to disclose to anyone our confidential information.

Our employment agreement with Mr. Lines also provides for us to make certain payments to him in the event we terminate his employment without cause or upon the occurrence of certain events relating to a change in control of the company, as described under "Involuntary Termination" and "Termination Following a Change in Control" under the heading "Potential Payments Upon Termination or Change in Control."

Our employment agreement with Mr. Lines provides that we will indemnify him for all acts or omissions and for any suits brought against him which relate to duties he performed in good faith for us.

Jeffrey F. Glajch. On March 2, 2009, we entered into an employment agreement with Mr. Glajch, as subsequently amended on July 29, 2010, to serve as our Vice President - Finance & Administration and Chief Financial Officer. The agreement provides that Mr. Glajch will receive an annual minimum base salary as well as other customary benefits. The agreement automatically renews such that it always has a one-year term remaining, unless we or Mr. Glajch elect not to extend the term further, in which case the term will end on the first anniversary of the date on which notice of such election not to extend is given. If not terminated sooner, the agreement will end on the last day of the month in which Mr. Glajch turns 65.

Pursuant to our employment agreement with Mr. Glajch, if his employment with us is terminated for any reason, he will be subject to an 8-month covenant not to compete with us, not to interfere in certain of our business relationships, and not to disclose to anyone our confidential information.

Our employment agreement with Mr. Glajch also provides for us to make certain payments to him in the event we terminate his employment without cause or upon the occurrence of certain events relating to a change in control of the company, as described under "Involuntary Termination" and "Termination Following a Change in Control" under the heading "Potential Payments Upon Termination or Change in Control."

Our employment agreement with Mr. Glajch provides that we will indemnify him for all acts or omissions and for any suits brought against him which relate to duties he performed in good faith for us.

Alan E. Smith. On July 30, 2007, we entered into an employment agreement with Mr. Smith, as subsequently amended on December 31, 2008. The agreement provides that Mr. Smith will receive an annual minimum base salary as well as other customary benefits. Mr. Smith's agreement automatically renews such that it always has a one-year term remaining, unless we or Mr. Smith elect not to extend the term further, in which case the term will end on the first anniversary of the date on which notice of such election not to extend is given. If not terminated sooner, the agreement will end on the last day of the month in which Mr. Smith turns 65.

Pursuant to our employment agreement with Mr. Smith, if his employment with us is terminated for any reason, he will be subject to an 8-month covenant not to compete with us, not to interfere in certain of our business relationships, and not to disclose to anyone our confidential information.

Our employment agreement with Mr. Smith also provides for us to make certain payments to him in the event we terminate his employment without cause as described below under "Involuntary Termination" under the heading "Potential Payments Upon Termination or Change in Control."

Our employment agreement with Mr. Smith provides that we will indemnify him for all acts or omissions and for any suits brought against him which relate to duties he performed in good faith for us.

Jennifer R. Condame. On July 25, 2013, we entered into an employment agreement with Ms. Condame. The agreement provides that Ms. Condame will receive an annual minimum base salary as well as other customary benefits. Ms. Condame's agreement automatically renews such that it always has a one-year term remaining, unless we or Ms. Condame elect not to extend the term further, in which case the term will end on the first anniversary of the date on which notice of such election not to extend is given. If not terminated sooner, the agreement will end on the last day of the month in which Ms. Condame turns 65.

Pursuant to our employment agreement with Ms. Condame, if her employment with us is terminated for any reason, she will be subject to an 8-month covenant not to compete with us, not to interfere in certain of our business relationships, and not to disclose to anyone our confidential information.

Our employment agreement with Ms. Condame also provides for us to make certain payments to her in the event we terminate her employment without cause as described below under "Involuntary Termination" under the heading "Potential Payments Upon Termination or Change in Control."

Our employment agreement with Ms. Condame provides that we will indemnify her for all acts or omissions and for any suits brought against her which relate to duties she performed in good faith for us.

# Pension Benefits at March 31, 2017

The following table shows information at March 31, 2017 regarding our Retirement Income Plan and our Supplemental Executive Retirement Plan.

The present value of accumulated benefits indicated in the table were calculated using a 4.08% discount rate, the Adjusted RP 2014 Mortality Table dataset projected to 2022 by scale MP2016 and an age 63 retirement age, which are the same assumptions used for financial reporting purposes. The amounts indicated represent liabilities funded by the trust fund. Part of the accrued benefit will be provided by John Hancock Insurance Company through an annuity purchased in 1986.

#### Retirement Income Plan

Our Retirement Income Plan is a defined benefit pension plan for the benefit of our domestic employees hired prior to January 1, 2003. The purpose of the Retirement Income Plan is to supplement Social Security benefits and to provide a reliable source of regular income for participants or their survivors after retirement by the participant. During fiscal year 2017, Mr. Lines, Mr. Smith and Ms. Condame were eligible to participate in the Retirement Income Plan.

Normal retirement under the Retirement Income Plan is generally the later of a participant's 65h birthday or the 5h anniversary of the date on which he or she became a participant. Early retirement under the Retirement Income Plan is available for a participant who is at least 55 years old and has completed fifteen years or more of creditable service. The Retirement Income Plan also provides for a disability retirement allowance in the event of disability.

The Retirement Income Plan also provides for the payment of a retirement benefit in the event that a participant's employment was terminated when the participant was not eligible for normal, early or disability retirement. Eligibility for such "vested retirement" requires the completion of five years of service with us. A participant who is entitled to a vested retirement allowance when his or her employment terminates will ordinarily begin receiving payments after reaching normal retirement age. If the participant has completed at least fifteen years of creditable service, he or she may elect to begin receiving payments on the first day of the month after he or she reaches age 55 and up to the first month after he or she reaches normal retirement age. The amount of a participant's monthly vested retirement payment will vary depending on age, service and time of commencement.

Benefits under the Retirement Income Plan are based on the employee's years of service and average annual base salary for the five highest consecutive calendar years of compensation in the ten-year period preceding retirement. Benefits under the Retirement Income Plan are reduced to take into account a participant's Social Security benefits paid for by the company.

The approximate years of creditable service as of March 31, 2017 of each of the named executive officers eligible to participate in the Retirement Income Plan are as follows: Mr. Lines - 33; Mr. Smith - 24; and Ms. Condame - 25. We do not normally grant additional years of service credit.

The form and amount of the payments made under the Retirement Income Plan depends upon marital status when payment begins and the form of payment selected. The normal form of benefit for a married participant is a 100% joint and survivor annuity, which provides a retirement allowance in the form of reduced monthly payments that will continue for the rest of the participant's life. If the participant is survived by the person who was the participant's spouse when payments began, such spouse will receive survivor benefits equal to 100% of the amount of the payments made to the participant during his or her lifetime. His or her spouse will be paid survivor benefits for his or her remaining lifetime. Subject (in most cases) to the spouse's consent, a participant may elect to receive benefits in the form of a single life annuity, 50% joint and survivor annuity, a Social Security Level Income Option, a 10, 15, or 20 year certain annuity or a life annuity with a 10, 15, or 20 year guarantee.

#### Supplemental Executive Retirement Plan

In addition to the Retirement Income Plan, we maintain the Supplemental Plan that is anon-qualified deferred compensation plan and is intended to provide eligible participants and their surviving spouses and beneficiaries with the amount of employer-provided retirement benefits that the Retirement Income Plan would provide but for the limitation on compensation that may be recognized under tax-qualified plans imposed by Section 401(a)(17) of the Code and the limitations on benefits imposed by Section 415 of the Code

A participant who has completed a period of service of at least five years under the Retirement Income Plan and whose benefits are limited by the above-referenced provisions of the Code, is entitled to receive a monthly benefit from the Supplemental Plan. All of our named executive officers hired prior to January 1, 2003 are eligible to participate in the Supplemental Plan, but Mr. Lines is the only named executive officer that currently has an accrued benefit under the Supplemental Plan.

The monthly benefit under the Supplemental Plan is equal to the excess, if any, of the retirement benefits that would have been payable to or with respect to the plan participant under the Retirement Income Plan had the limitations imposed by the Code not been applicable over the retirement benefits payable to or with respect to the participant under the Retirement Income Plan. This formula was modified in 2016 to provide that for calendar years through 2020, in the event that Mr. Lines' employment is involuntarily terminated without cause or voluntarily terminated with good reason following a change in control, the calculation of average compensation for Mr. Lines would only take into account his base salary since April 1, 2016.

A participant's retirement benefits under the Supplemental Plan generally will be paid to or with respect to the participant in the same form and at the same time as the participant's retirement benefits under the Retirement Income Plan. The benefits under the Supplemental Plan will terminate upon cessation of benefits to the participant or his beneficiary under the Retirement Income Plan.

Upon a "change in control" of our company, each participant in the Supplemental Plan would automatically become 100% vested in his or her benefits. A "change in control" for the purposes of the Supplemental Plan is defined as:

- · the acquisition of the assets or a majority of the shares of the company by a person or group not controlled by the company;
- a cash tender offer or exchange offer, consolidation or merger or other business combination, sale of assets or contested election as a result of which the members of our Board of Directors before the event cease to constitute a majority of our Board;
- the acquisition of 25% or more of the shares of the company by a person or a group; or
- the occurrence of any event that would be required to be reported in response to Item 6(e) of Schedule 14A or to Item 5.01 of Forn8-K.

#### Incentive Savings Plan

All of our named executive officers are also eligible to participate in our Incentive Savings Plan (our 401(k) savings plan), which is available to all of our employees. Pursuant to the Incentive Savings Plan, we match funds deferred at the election of participants, up to a certain percentage, and we make non-elective contributions to the accounts of eligible participants. Matching contributions under the Incentive Savings Plan always are fully vested. Additionally, eligible employees hired after January 1, 2003 with at least one hour of service during the relevant plan year who are employed by us at the end of such year receive a nonelective contribution as described above.

## Potential Payments upon Termination or Change in Control

The following information and the table entitled "Estimated Payments Upon Termination or a Change in Control" set forth the amount of payments to each of our named executives in the event of a termination of employment as a result of normal and early retirement, voluntary termination and termination for cause, involuntary termination, death, disability and termination following a change in control of the company.

## **Assumptions and General Principles**

The following assumptions and general principles apply with respect to the table entitled "Estimated Payments Upon Termination or a Change in Control" and any termination of employment of a named executive officer:

• The amounts shown in the table assume that each named executive officer was terminated on March 31, 2017. Accordingly, the table reflects amounts earned as of March 31, 2017 and includes estimates of amounts that would be paid to the named executive officer upon the occurrence of a termination. The actual amounts to be paid to a named executive officer can only be determined at the time of the termination.

- Unless otherwise noted, the fair market values of stock-based compensation were calculated using the closing price of our common stock on March 31, 2017, the last trading day in fiscal year 2017 (\$23,00).
- A named executive officer is entitled to receive certain amounts earned during his term of employment regardless of the manner in which the named executive
  officer's employment is terminated. These amounts include base salary, unused vacation pay and earned annual cash incentive compensation. These amounts are not
  shown in the table.
- A named executive officer may exercise any stock options that are exercisable prior to the date of termination and will be entitled to receive unrestricted shares of
  common stock with respect to any restricted stock awards for which the vesting period has expired prior to the date of termination. Any payments related to these
  stock options and restricted stock awards are not included in the table as they are not payable upon the termination of a named executive officer's employment or
  upon a change in control of the company.
- A named executive officer will be entitled to receive all amounts accrued and vested under our retirement and savings programs, including our Incentive Plan and any
  pension plans in which the named executive officer participates. These amounts are not included in the table as these amounts are disclosed under the heading
  "Pension Benefits at March 31, 2017" unless such amounts are accelerated or enhanced in the event of the termination of a named executive officer's employment or
  upon a change in control of the company.

#### Normal and Early Retirement

A named executive officer is eligible to elect normal retirement at age 65 and early retirement between ages 55 and 64 with at least fifteen and five years, respectively, of creditable service to the company, as discussed under the heading "Pension Benefits at March 31, 2017."

As of March 31, 2017, Mr. Lines is the only named executive officer eligible for early retirement and none of our named executive officers were eligible for normal retirement.

Unvested shares of performance-vested restricted stock held by the named executive officers that were granted prior to fiscal year 2014 will vespro-rata based on the satisfaction of the applicable performance goals through the end of the quarter immediately preceding the date of retirement.

#### Voluntary Termination and Termination for Cause

Pursuant to our employment agreements with our named executive officers, cause exists if our Board of Directors determines that there has been willful misconduct by the named executive officers in connection with the performance of their duties or if the named executive officers have engaged in any other conduct that has been materially injurious to the company or have breached any of the representations and warranties in their employment agreements. Under the employment agreements with Mr. Lines, Mr. Smith and Ms. Condame, upon termination for cause, we would pay all legal fees and other expenses incurred by such named executive officers if they, in good faith, contest the termination. The named executive officers would be required to reimburse us for all such costs if a court of final adjudication were to determine that they did not act in good faith in bringing such challenge.

Our named executive officers are not entitled to receive any severance payments or other benefits upon their voluntary decision to terminate employment with the company prior to being eligible for retirement (other than compensation due through the date of termination) or upon termination for cause.

#### Involuntary Termination

Our employment agreement with Mr. Lines also provides that, upon termination without cause, or if he resigns because of our material breach of his employment agreement, we will have the following obligations: (1) pay to him compensation due him through the date of termination, including any accrued bonus; (2) continue his base salary for nine months following such termination; (3) pay to him a lump sum payment equal to nine months' base salary; (4) provide him with continuing health care coverage for a period of 18 months following the effective date of termination of his employment; and (5) pay for certain outplacement services.

Our employment agreements with Messrs. Glajch and Smith and Ms. Condame provide that, upon termination without cause, or if any such officer resigns because of our material breach of his or her respective employment agreements, we will pay compensation due to them through the date of termination, including any accrued bonus; and that we will pay, in regular monthly payments, their respective salaries for 12 months following the effective date of their termination of employment.

Our obligation to make payments upon any termination of Messrs. Lines, Glajch or Smith or Ms. Condame without cause or upon their resignation because of a material breach of their agreement by us is conditioned on their execution of an enforceable release of all claims against us and their compliance with all provisions of their employment agreement.

#### Death or Disability

Pursuant to our Stock Bonus Plan, upon the death or disability of a named executive officer, all unvested shares of time-vested restricted stock and stock options held by the named executive officer will become immediately vested and the stock options will become exercisable in full. All unvested shares of performance-vested restricted stock held by the named executive officer will vest pro-rata based on the satisfaction of the applicable performance goals through the end of the quarter immediately preceding the date of the named executive officer's death or disability.

All of our named executive officers participate in our life insurance plan, whereby his or her beneficiary would be entitled to a death benefit equal to three times base salary. We also provide each of our named executive officers with \$2,500 annually (except for Mr. Lines, who receives \$5,000 annually) for the purpose of procuring a term life insurance policy.

Each of our named executive officers also participates in our short-term disability program that is available to our managers and executive officers. Pursuant to such program, each named executive officer would be entitled to payments equal to his full base salary for six months following such disability. Each of our named executive officers also participates in our long-term disability plan that is generally available to all of our salaried employees.

#### Termination Following a Change in Control

Our employment agreements with Messrs. Lines, Glajch and Smith and Ms. Condame require a termination of employment following a change in control of our company (commonly referred to as a "double trigger") in order to trigger certain payments. A "change in control" is defined in each of our employment agreements with Messrs. Lines, Glajch and Smith and Ms. Condame to include the following events:

- any person, party or group (other than the company, any subsidiary of the company or any employee benefit plan sponsored by the company or any subsidiary), directly or indirectly, acquires or has acquired during the 12-month period ending on the date of the most recent acquisition, 30% (except that the employment agreements with Mr. Smith and Ms. Condame use a lower 25% standard and do not include the 12-month acquisition period) or more of the combined voting power of the outstanding securities of the company ordinarily having the right to vote in the election of directors;
- a change in the composition of our Board of Directors such that members of our Board as of the effective date of the respective employment agreement cease to constitute at least a majority of our Board (unless the election or nomination of any new directors was approved by a vote of at least three-quarters of the Directors comprising our Board of Directors as of the effective date of the respective employment agreement);
- the closing of a reorganization, merger or consolidation of the company, other than one with respect to which all or substantially all of those persons who were the beneficial owners immediately prior to such event, of outstanding securities of the company ordinarily having the right to vote in the election of directors own, immediately after such transaction, more than three-quarters of the outstanding securities of the resulting corporation ordinarily having the right to vote in the election of directors;

- · the closing of a sale or other disposition of all or substantially all of the assets of the company, other than to a subsidiary of the company; or
- · the complete liquidation and dissolution of the company.

*Mr. Lines.* Our employment agreement with Mr. Lines provides that, upon the occurrence of a triggering event that would be deemed an event of termination within two years after a change in control of the company, Mr. Lines would be entitled to certain payments, including, among other things, a lump sum payment equal to one dollar less than three times his annualized gross compensation (including bonus) for the five most recent taxable years ending before the date of such change in control.

In addition, all unvested stock options would become immediately vested and exercisable and any unvested shares of restricted stock would become immediately vested. We would also be required to pay to Mr. Lines six months after the triggering event a lump sum payment amount equal to the excess, if any, of (1) the present value of the aggregate benefits to which he would be entitled under any and all qualified and non-qualified defined benefit pension plans maintained by us as if he were 100% vested under such plans, over (2) the present value of the benefits to which he is actually entitled under such defined benefit pension plans as of the date of his termination. Mr. Lines' employment agreement contains certain limitations for these payments that relate to our ability to deduct such payments for federal income tax purposes.

Pursuant to our employment agreement with Mr. Lines, our obligation to make payments upon termination following a change in control is conditioned on his execution of an enforceable release of all claims and his compliance with all provisions of the employment agreement.

The triggering events that would be deemed events of termination include, among others, termination of Mr. Lines for any reason other than death, disability or cause, or resignation of Mr. Lines under the following circumstances:

- · a change in the nature or scope of his authority from his role and responsibilities immediately prior to the change in control;
- a reduction of his total compensation from that prior to the change in control;
- a failure by the company to make any increase in compensation to which Mr. Lines may be entitled under his employment agreement, or action by the company to decrease his base salary;
- a change requiring Mr. Lines to perform services other than in Batavia, New York or in any location more than thirty miles distant from Rochester, New York, except
  for certain required travel on the company's business;
- without his express written consent, the assignment to Mr. Lines of any duties inconsistent with his positions, duties, responsibilities and status with the company immediately prior to the change in control;
- a failure by the company to continue in effect any bonus plans or other benefit or compensation plan in which Mr. Lines was participating at the time of the change in control or the taking of any action by the company which would adversely affect his participation in or materially reduce his benefits under such plans; or
- prior to a change in control of the company, the failure by the company to obtain the assumption of the agreement to perform his employment agreement by any successor company.

Mr. Glajch. Our employment agreement with Mr. Glajch provides that, upon the occurrence of a triggering event that would be deemed an event of termination within two years after a change in control of the company, Mr. Glajch would be entitled to certain payments, including, among other things, a lump sum payment equal to one dollar less than three times his annualized gross compensation (including bonus) for the five most recent taxable years ending before the date of such change in control.

In addition, all unvested stock options would become immediately vested and exercisable and any unvested shares of restricted stock would become immediately vested. We would also be required to pay to Mr. Glajch six months after the triggering event a lump sum payment amount equal to the excess, if any, of (1) the present value of the aggregate benefits to which he would be entitled under any and all qualified and non-qualified defined benefit pension plans maintained by us as if he were 100% vested under such plans, over (2) the present value of the benefits to which he is actually entitled under such defined benefit pension plans as of the date of his termination. Mr. Glajch's employment agreement contains certain limitations for these payments that relate to our ability to deduct such payments for federal income tax purposes.

Pursuant to our employment agreement with Mr. Glajch, our obligation to make payments upon termination following a change in control is conditioned on his execution of an enforceable release of all claims and his compliance with all provisions of the employment agreement.

The triggering events that would be deemed events of termination include, among others, termination of Mr. Glajch for any reason other than death, disability or cause, or resignation of Mr. Glajch under the following circumstances:

- · a change in the nature or scope of his authority from his role and responsibilities immediately prior to the change in control;
- a reduction of his total compensation from that prior to the change in control;
- a failure by the company to make any increase in compensation to which Mr. Glajch may be entitled under his employment agreement, or action by the company to decrease his base salary;
- a change requiring Mr. Glajch to perform services other than in Batavia, New York or in any location more than thirty miles distant from Batavia, New York, except for certain required travel on the company's business;
- without his express written consent, the assignment to Mr. Glajch of any duties inconsistent with his positions, duties, responsibilities and status with the company immediately prior to the change in control;
- a failure by the company to continue in effect any bonus plans or other benefit or compensation plan in which Mr. Glajch was participating at the time of the change in control or the taking of any action by the company which would adversely affect his participation in or materially reduce his benefits under such plans; or
- prior to a change in control of the company, the failure by the company to obtain the assumption of the agreement to perform his employment agreement by any successor company.

Mr. Smith and Ms. Condame. Under their respective employment agreements, Mr. Smith and Ms. Condame will not be entitled to any payments by us upon the occurrence of a change in control. Rather, upon the occurrence of a change in control, Mr. Smith and Ms. Condame must continue to provide us with the services contemplated by the employment agreement until three months after a change in control has occurred. However, pursuant to our restricted stock award agreements, shares of unvested restricted stock will be subject to accelerated vesting in the event Mr. Smith or Ms. Condame are terminated within 12 months of the change in control.

General. In the event of any sale, merger or any form of business combination affecting us, our employment agreements with Messrs. Lines, Glajch and Smith and Ms. Condame require us to obtain the express written assumption of the agreement by the acquiring or surviving entity, and failure to do so would entitle the executive officer to all payments and other benefits to be provided by us in the event of termination without cause.

In addition, pursuant to the Supplemental Plan, in the event of a "change in control," each participant in our Supplemental Plan, which currently includes Mr. Lines, Mr. Smith and Ms. Condame, would become 100% vested in his or her benefits.

#### DIRECTOR COMPENSATION

#### **Director Compensation Programs**

The Compensation Committee annually reviews and approves compensation for our independent Directors. Mr. Lines, our President and Chief Executive Officer, is not an independent Director under applicable NYSE and Securities and Exchange Commission rules and, therefore, he does not receive any additional compensation for services as a Director. The compensation that we pay to Mr. Lines is disclosed in the Fiscal Year 2017 Summary Compensation Table.

We use a combination of cash and equity-based compensation to attract and retain our independent Directors. As described below, independent Director compensation consists of an annual cash retainer; an additional annual cash retainer for the Chairman of our Board of Directors and the chair of each committee of our Board; committee meeting fees; restricted stock awards; and stock options. We also reimburse our independent Directors for reasonable expenses incurred in connection with their attendance at Board and committee meetings. We do not provide retirement benefits to our independent Directors.

#### Cash Compensation

Each of our independent Directors receives an annual fee of \$15,000 for service on our Board of Directors. Additionally, each independent Director receives a fee of \$1,000 for each Board or committee meeting attended, except that if such meeting is held by telephone conference call or by unanimous written consent, the fee is reduced to \$500. If our Board of Directors and/or one or more committees meet on the same day, a full meeting fee is paid for one meeting and one-half of the meeting fee is paid for each additional meeting attended that day.

The Chairman of our Board of Directors and each of our independent Directors serving as a chairperson of committees of our Board of Directors receive additional fees for such service. For fiscal year 2017, the Chairman of our Board of Directors received an additional annual fee of \$15,000, the Chairman of the Audit Committee received an additional annual fee of \$6,000, the Chairman of the Compensation Committee received an additional annual fee of \$5,000 and the Chairman of the Nominating and Corporate Governance Committee received an additional annual fee of \$3,000.

*Options*. Our independent Directors are also eligible to participate in the Incentive Plan, pursuant to which they may be granted options to purchase shares of our common stock. No options were granted to our independent Directors during fiscal year 2017.

Restricted Stock. Equity compensation awards to independent Directors are made in the form of time-vested restricted stock awarded under the Incentive Plan. On May 24, 2016, the Compensation Committee awarded 1,351 shares of time-vested restricted stock, with a grant date fair market value of approximately \$25,000 to each of our independent Directors. The shares of restricted stock awarded to our independent Directors vest on the first anniversary of the date of grant.

#### Stock Ownership Guidelines

In order to more closely align the interests of our independent Directors with the interests of our stockholders, the Compensation Committee established minimum stock ownership guidelines that require our independent Directors to work towards acquiring and maintaining specific levels of equity ownership interests in our common stock within specified time frames.

Under our stock ownership guidelines, our independent Directors are required to own shares of our common stock valued at least 3.0 times their annual retainer. New independent Directors are expected to achieve their ownership guidelines within five years of becoming subject to the guidelines. Our stock ownership guidelines also require our independent Directors to retain 50% of the net shares they realize (after tax) when a restricted stock award vests or a stock option is exercised until they are in compliance with the guidelines. The Compensation Committee monitors the progress made by independent Directors in achieving their stock ownership guidelines

and, in its discretion, may modify the guidelines and/or time frames for some or all of our independent Directors. As of the end of fiscal year 2017, all of our independent Directors were in compliance with our stock ownership guidelines.

# PROPOSAL TWO: ADVISORY VOTE ON OUR EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are providing our stockholders the opportunity to vote to approve, on anon-binding, advisory basis, the compensation of our named executive officers as described in the Compensation Discussion and Analysis, accompanying compensation tables and related narrative discussion contained in this proxy statement. We first provided our stockholders with the opportunity to approve, on an advisory basis, the compensation of our named executive officers at our 2011 annual meeting. At the 2011 annual meeting, our stockholders expressed an overwhelming preference for this vote to occur on the annual basis recommended by our Board of Directors. This preference was subsequently adopted by our Board of Directors and we are providing our stockholders with an advisory vote this year. An advisory vote regarding the frequency of future advisory votes is included in Proposal Three.

We encourage stockholders to carefully review the Compensation Discussion and Analysis section of this proxy statement for additional details on our executive compensation programs, including our compensation philosophy and objectives, as well as the processes our Compensation Committee used to determine the structure and amounts of the compensation of our named executive officers during fiscal year 2017. For your convenience, we have provided an executive summary in the first few pages of the Compensation Discussion and Analysis section that highlights information that we believe is particularly important in helping you decide how to vote on this proposal. You should also carefully review the tables that immediately follow the Compensation Discussion and Analysis, together with the related narrative disclosure and footnotes.

We are asking you to indicate your support for the compensation of our named executive officers as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

As an advisory vote, this proposal is not binding upon our Board of Directors or our Compensation Committee. However, the Compensation Committee and our Board value the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for named executive officers.

#### **Board Recommendation**

Our Board of Directors unanimously recommends that stockholders voteFOR the following advisory resolution:

"RESOLVED, that the compensation paid to our named executive officers, as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules, including the Compensation Discussion and Analysis, compensation tables and related narrative discussions set forth in this proxy statement, is hereby approved."

# PROPOSAL THREE: ADVISORY VOTE REGARDING THE FREQUENCY OF STOCKHOLDER ADVISORY VOTES ON OUR EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, stockholders are also able to indicate, on anon-binding, advisory basis, how frequently they believe an advisory vote on executive compensation, such as we have included in Proposal Two, should occur. By voting on this Proposal Three, stockholders may indicate whether they prefer that we hold future advisory votes on executive compensation once every one, two or three years. Stockholders may also abstain from voting. Stockholders will have an opportunity to cast an advisory vote on the frequency of future advisory votes on executive compensation at least every six years.

At the 2011 annual meeting, our stockholders expressed an overwhelming preference for the advisory vote on executive compensation to occur on the annual basis recommended by our Board of Directors. After careful consideration, the Board of Directors recommends that future advisory votes on executive compensation continue to occur every year. We believe that an annual advisory vote on executive compensation will allow our stockholders to provide timely, direct input on our executive compensation philosophy, policies and practices as disclosed in the proxy statement each year. We believe that an annual vote is therefore consistent with our efforts to engage in an ongoing dialogue with our stockholders on executive compensation.

Stockholders may choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, you are not voting to approve or disapprove the Board's recommendation. You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years or abstaining from voting in response to the recommendation set forth below when you vote on this Proposal Three.

As an advisory vote, this proposal is not binding upon our Board of Directors or our Compensation Committee. However, the Compensation Committee and our Board value the opinions expressed by stockholders in their vote on this proposal, and will consider the frequency of future advisory votes on executive compensation. The Board of Directors may decide that it is in the best interests of the Company and its stockholders to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders on this Proposal Three.

## **Board Recommendation**

Our Board of Directors unanimously recommends that stockholders submit an advisory vote for a **ONE YEAR**" frequency for future stockholder advisory votes on executive compensation.

# PROPOSAL FOUR: RATIFICATION OF THE SELECTION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP served as our independent registered public accounting firm in fiscal year 2017. The Audit Committee of our Board of Directors has selected Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2018, which we refer to as fiscal year 2018. This selection will be presented to our stockholders for ratification at the annual meeting. The Audit Committee will consider the outcome of this vote in its future discussions regarding the selection of our independent registered public accounting firm.

We have been advised by Deloitte & Touche LLP that a representative will be present at the annual meeting and that such representative will be available to respond to appropriate questions. Such representative will be given an opportunity to make a statement if he or she so desires.

#### **Board Recommendation**

Our Board of Directors unanimously recommends a vote FOR the proposal to ratify the selection of Deloitte & Touche LLP to serve as our independent registered public accounting firm for fiscal year 2018.

#### Fees Paid to Deloitte & Touche LLP

We paid the following fees to Deloitte & Touche LLP for fiscal year 2017 and for the fiscal year ended March 31, 2016, which we refer to as fiscal year 2016:

	I	Siscal Year 2017	1	Fiscal Year 2016

Audit-related fees for fiscal year 2017 and fiscal year 2016 includedout-of-pocket expenses. All other fees for fiscal years 2017 and 2016 included the subscription fee for the Deloitte & Touche LLP Technical Library Research Tool.

The Audit Committee has determined that the provision of permittednon-audit services described above has not compromised the independence of Deloitte & Touche LLP.

The Audit Committee has adopted procedures for pre-approving all audit and permitted non-audit services provided by our independent registered public accounting firm. The Audit Committee annually pre-approves a list of specific services and categories of services, subject to a specified cost level. Part of this approval process includes making a determination as to whether permitted non-audit services are consistent with the Securities and Exchange Commission's rules on auditor independence. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee, subject to reporting any such approvals at the next Audit Committee meeting.

The Audit Committee monitors the services rendered and actual fees paid to our independent registered public accounting firm quarterly to ensure that such services are within the scope of approval. All audit and permitted non-audit services for which Deloitte & Touche LLP was engaged werepre-approved by the Chairman of the Audit Committee.

#### REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently comprised of Directors Mazurkiewicz (Chairman), Barber, Fortier, Malvaso and Painter, each of whom our Board of Directors has affirmatively determined is independent pursuant to the listing standards of the NYSE and applicable Securities and Exchange Commission rules. The duties and responsibilities of the Audit Committee are set forth in the Audit Committee's charter, as last amended and restated by our Board of Directors effective May 2, 2014.

The Audit Committee oversees the company's financial reporting process on behalf of our Board of Directors, and has other duties and functions as described in its charter.

Management has the primary responsibility for the company's financial statements and the reporting process. The company's independent registered public accounting firm, Deloitte & Touche LLP, is responsible for auditing the company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

The Audit Committee has:

- reviewed and discussed the company's audited financial statements for the fiscal year ended March 31, 2017 with management and the independent registered public accounting firm;
- discussed with the company's independent registered public accounting firm the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard 1301, Communications with Audit Committees;
- received and discussed the written disclosures and the letter from the company's independent registered public accounting firm required by applicable requirements
  of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee
  concerning independence; and
- discussed with the company's independent registered public accounting firm its independence.

When evaluating Deloitte & Touche LLP's independence, the Audit Committee discussed with Deloitte & Touche LLP any relationships that may impact such firm's objectivity and independence. The Audit Committee has also considered whether the provision of permitted non-audit services by Deloitte & Touche LLP is compatible with maintaining such firm's independence, and has satisfied itself with respect to Deloitte & Touche LLP's independence from the company and its management.

The Audit Committee discussed with the personnel responsible for the internal audit function and the company's independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the personnel responsible for overseeing the internal audit function and with the company's independent registered public accounting firm, with and without management present, to discuss the results of their examinations, the evaluations of the company's internal controls, and the overall quality of the company's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors (and our Board has approved) that the audited financial statements be included in the company's annual report on Form 10-K for the year ended March 31, 2017 for filing with the Securities and Exchange Commission. The Audit Committee has also selected the company's independent registered public accounting firm for the fiscal year ending March 31, 2018 and has submitted such selection for ratification by the stockholders at the company's annual meeting.

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

# Policies and Procedures for Review, Approval or Ratification of Related Person Transactions

Our Audit Committee reviews all relationships and transactions in which the company and our Directors and executive officers or their immediate family members are participants in advance for review and approval. Any existing related person transactions are reviewed at least annually by the Audit Committee. Any Director or executive officer with an interest in a related person transaction is expected to recuse himself or herself from any consideration of the matter.

Although the Audit Committee has not established a written policy regarding the approval of related person transactions, when evaluating these transactions, the Audit Committee considers, among other factors:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including the amount and type of transaction;
- the importance of the transaction to the related person and to the company;
- · whether the transaction would impair the judgment of a Director or executive officer to act in the best interest of the company; and
- · any other matters the Committee deems appropriate.

To the extent that the transaction involves an independent Director, consideration is also given, as applicable, to the listing standards of the NYSE and other relevant rules related to independence.

In addition, our Audit Committee also reviews all transactions between us and any entity with which an independent Director or executive officer is an affiliate, taking into account the factors listed above as well as all other factors deemed appropriate by the Committee.
