The table below summarizes the number of shares that voted for, against and abstained from voting on the compensation of the Company's named executive officers, as well as the number of shares representing broker non-votes with respect to such advisory vote.

<u>Votes For</u>	<u>Votes Against</u>	<u>Abstentions</u>
8,752,813	147,907	21,933

\* Broker non-votes represent shares held by broker nominees for beneficial owners that were not voted with respect to a non-routine proposal because the broker nominee did not receive voting instructions from the beneficial owner and lacked discretionary authority to vote the shares. If a broker does not receive voting instructions from the beneficial owner, a broker may vote on routine matters, such as the ratification of the selection of the Company's independent registered public accounting firm, but may not vote on non-routine matters. Broker non-votes are counted for the purpose of determining the presence of a quorum but are not counted for the purpose of determining the number of shares entitled to vote on non-routine matters such as an election of directors or the advisory vote on the Company's named executive officer compensation.
